Agenda Topics

1. Calendar
2. Counseling
 - Seniors-college readiness
 - upcoming engineering conference @SUU
 - Juniors taking the psat test next week-top 20 eligible for scholarship competition
3. Trustlands plan amendment
 - The 17-18 plan is being amended to reduce the aids number by 1 for the BYU-Independent . This program increases course offerings in our rural school and will help with our school improvement goal of increasing student graduation rates.*

We will add a site license expense for NewsELA Pro for our English and Literacy course which is linked to our improvement goals in English and graduation rates. We will also use funds to purchase copies of literacy magazines and books for English courses. Funding for teacher per diem and travel costs will be added for teacher observation visits to other schools as a component of teacher growth and instructional improvement. Five additional calculators for Secondary Math courses.

We will add travel funding to take students to site activities e.g. Engineering day, Technology day and other academic and career related conferences.

Lisa Church made a motion to accept the amendment, Natali Button seconded the motion. The vote to accept was unanimous by all members.

4. Elections
 - Council Members Angie Reidhead and Natalie Button were re-elected.
 - Elected council positions
 - Chair: Natali Button

Vice-Chair: Lisa Church

Secretary: JoAnn Barnson

Positions were voted by council and were unanimous

5. School Community Council training

-Upcoming training on Wednesday October 25, at Dixie State University for any council members who are able to attend.

6. Discussion

-Discussed the need for changing tables in the football concessions bathrooms for families with young children attending the games.

-Discussed a survey of students of their interest in the athletics programs offered at the School.

-Discussed changing the contest limitations for our district to match the limits set by the state. Teams would like the option of increasing the games in their seasons, but scheduling those as home games on Saturdays, to limit the missed class time.

-Discussed the aviation class offered at Kanab High School.

-Discussed the new marquee for the school
