Agenda Topics and Discussion:

- A. Re-alignment: Football 2A but different divisions all closer to towns, no more traveling. All regions same for Gunnison and North Sevier.
- B. Attendance: 26 kids, 5 or more unexcused, 13 kids, kids more than 10 days. Working with a team of professionals and parents to help with attendance. Not judicial due to law.
- C. Marque: Update, Jeff Stott changed statue. Sign company has a lawyer working with City to allow us within city laws.
- D. Update of K: 20' tall. Students are building. Fundraiser with city volunteer center. Steel is coming this week
- E. Testing: See handout. Improvement in English, slight drop in Math and Science. No letter grades, but we scored "typical".
- F. Booster Chairs: April asked for information about possible changes to the booster chairs in the gym. The concern is lots of chairs are sitting empty while parents are sitting in the bleachers. Some options thought of were doing away with the reserved seating, do family passes for tickets, or seats are sold per sport instead of the year.
