

Electronic Communication Devices

Administration, Faculty, School Community Council, and the Students of Kanab High School support the use of technology in education. Electronic devices are an asset to the learning environment, but if misused, can be a distraction to the teaching and learning process.

- Electronic devices may be used before the first bell, between classes, after the last bell, during lunch, and for educational purposes under the direction of the teacher. Devices must be turned off at all other times during the school day.
 - Devices with photo-taking capabilities may not be used in locker rooms, restrooms, or shower facilities
 - Cell phones may only be used in the classroom with permission from the teacher.
-
- 1st Offense: Cell phones and electronic devices that disrupt the learning environment will be confiscated by the classroom teacher. The device will be returned at the end of the day with a parent notification.
 - 2nd Offense: Cell phone will be returned to a parent.
 - 3rd Offense: The cell phone will be returned to a parent. The cell phone will be checked in at the front office during school hours, on a case-by-case basis, from that point forward.

Student medical plans will be approved on a case-by-case basis for electronic device usage.

Kanab High School does not assume responsibility for theft, loss, or damage of a cell phone or electronic device. The school reserves the right to define the educational value of any new electronic wireless communication device that may become available to the general public in the future and to prohibit its use if it has little or no educational value or if such use creates teacher or learner distraction or disruption.
