

October 14, 2026

School Community Council (11:45am)

Those in attendance:

Lisa Church

Tiffany Unsworth

Kelly Stubbs

Delaney Matheson

Harry Barber

Chad Castagno

In memoriam:

Natali Button

Kacie Troy

Trevor Stewart

Lisa Church made a motion to accept the minutes for September noting how detailed and accurate those minutes were. This was seconded by Tiffany Unsworth.

A picture of the school board members was displayed on the screen in front of the classroom and Tiffany could not pick out the Superintendent. She was even sitting in the front row.

The group had a good discussion regarding the ParentGuidance.org website. Chad was not certain why Trevor wanted us to discuss this, but we did anyway. To show we discussed it in detail it was noted that if parents are going to use the site it had to be easier to access. Lisa made a motion to make access easier. This was seconded by Kelly.

We then discussed the calendar items and some of the upcoming events including the Utah Symphony assembly, the play Frozen, Trevor's whereabouts today, volleyball, and football. It was noted that the football team plays by the 4th quarter mercy rule and that the semi finals are in SLC on 11/7, with the State game being held in Cedar City on 11/14.

We discussed college application week which is this month from the 26th to the 30th.

Delaney mentioned that the Sterling Scholar competition dates have changed and competition will be held in November this year.

Trevor texted Delaney to let her, and the others, know that both the girls and boys xcountry teams qualified for State.

Lisa asked if the river trip was still on for this summer. Chad wasn't sure but thought it was still on and wished he could go on it.

Lisa made a motion to end the meeting. This was seconded by Tiffany. (12:20pm)
