

Kanab High School  
Community Council  
February 21, 2023 minutes

In attendance, Kacie Troy, April Riddle, Lexie Little, Natali Button, Josh Porter, Chad Castagno, and Kylie Shepherd.

April motioned to approve January minutes, Lexie seconded the motion, and all were in favor.

Calendar items included girls and boys playing in the state tournament and all spring sports will be starting soon. There will be an assembly with Jen Bricker on March 8th at 9am. Hope Squad will be holding activities in April. Parent teacher conferences will be held March 9th with no school that day. Ideas for 2nd term honor roll recognition ideas were requested; gift cards were a great idea.

We now have two SROs; one for Valley and one for Kanab. They took the law enforcement class to the jail for tours. Very beneficial and the students took away a great learning experience listening to an inmate that gave them a great perspective.

Start thinking about the following for decision making at the next meeting; Trustland funds being used for salaries, policy changes, in-school suspension, and teacher appreciation ideas.

Kacie motioned to dismiss, Natali seconded, and all were in favor.
