Lisa Church

Calendar:

Went over calendar items for November and December.

Student council decided that sub for Santa would be a variety of fund raisers to benefit Make A Wish foundation with Taft Cluff as the focus. Their goal is to raise \$5000. Many fun activities have been planned including a boys volleyball game and the ever popular service auction.

Parent teacher open house scheduled for 11/17

The Virtual Youth Protection Seminar will be broadcast November 18 at 7 PM.

Training:

Utah Trust Lands website has lots of training videos. More will be added each month.

Counseling:

The staff is aware of an increase in mental health issues and they are all doing their best to help in any way possible.

Students need to be engaged in academics and activities to feel involved.

The Backpack Program has been implemented to give students in need extra food for the weekends and long breaks.

Discussion:

Positive Behavior Plan has been put together to recognize students for academic achievements. Recognition will include awards, activities and drawings for prizes.

School Improvement Plan:

Staff is working towards a 95% or higher graduation rate. Student health including communication/connection and what to expect was discussed.

Currently 4 students will receive their Associates Degree and 18 will receive their General Education Certificate upon graduation. That is more than in any previous year.

Winter Sports are in full swing.

eSports has been a great success with a lot of participants.

Next meeting to be held December 14, 2021
