Shelby, SBP, reported:

The students are preparing for Sub 4 Santa. They are having an auction to raise funds. The Boys Volleyball game raised \$752. Becca Ott will take pictures of Senior Athletes and Quality Printing will print.

Mr. Stewart reports:

On 11/16 there will be Parent Teacher Conferences. Teachers will reach out to individual students and parents to counsel concerning performance. Teachers notify parents if a student is failing, and they also strive to recognize high performance.

Winter sports are beginning. E sports have a field trip in the Spring of 23 to U of U

Mr. Castagno reported:

College Application week saw high participation. He is trying to train students how to register on their own. Hope Squad will hold Hope Week in March. A speaker from Women's Forum will participate in that event.

Discussion:

Parent Protection night was held over Zoom. There was low attendance. The school is required to have 1 per year. The council was asked to think of pertinent topics to parenting teens. Suicide Prevention was suggested.

Actions are being taken to encourage UHSAA to reconsider the competition divisions. This must be addressed on a sport-by-sport basis. The list of the Board of Trustees and their contact information of the UHSAA was distributed, along with a letter

written to the board by Kim Bailey, Parowan HS principal, encouraging an open division for charter and private programs. Lexie Little is researching how to approach this issue through legislation. The council is united in doing whatever necessary to make the playing field fair for KHS students.

Motion to adjourn and seconded by April Riddle.
